

## PHOTO RELEASE FORM

Yellow Acorn Montessori often uses photographs of the children in our communication with our families. Photographs are taken by a head teacher or designee who is provided with a list of children whose families have agreed that their child may have their picture taken. Pictures are taken with an authorized camera.

We may use the children's picture in any of the following ways:

- On Google Classroom, Montessori Compass or similar platform
- On Yellow Acorn Montessori's Social Media platforms
- On bulletin boards and posters in the school building
- On child specific projects
- To share with individual parents and families

Please indicate your preference for having your child's picture taken below:
